PURPOSE

The purpose of the Athletic Field Use Policies is to manage City of Kirkland athletic fields and many Kirkland area Lake Washington School District fields in a manner to assure equitable distribution and maximum use of the City and District facilities by the public. This will be accomplished by means of the following:

- Outline available fields
- Outline amenities at each
- Outline available seasons
- Outline facility scheduling procedures and policies
- Define fees and charges for use of facilities
- Define rules and regulations regarding use
- Manage the limited number of athletic fields in a fair and equitable manner

DEFINITIONS

- **City** – The City of Kirkland
- **Parks Department** – The City of Kirkland Parks and Community Services Department
- **LWSD/District** – Lake Washington School District
- **Recreational Youth Programs** – Programs that offer youth under the age of 18 equal opportunity to actively participate on a team (no cuts) or in a program. The primary purpose of the program is developmental and participatory.
- **Independent/Select Youth Programs** – Programs that offer a limited number of participants, youth under the age of 18, the opportunity for play. Generally, select teams use try-outs, skill levels, and special invitation to form teams.
- **Local/Kirkland Resident** – An individual who lives within and/or works full time within the City boundaries.
- **Lake Washington School District Resident** – An individual who resides within the district boundaries of the Lake Washington School District.
- **Kirkland Based Team** – A team that carries a minimum of 65% Kirkland residents on the team (rosters required and will be verified). Participants are Kirkland residents and/or attend schools within the Kirkland city limits.
- **Lake Washington School District Based Team** - A team that carries a minimum of 65% LWSD residents on the team (rosters required and will be verified). Participants are LWSD residents and/or attend LWSD schools.
- **Non-Local** – Individuals or teams who don't meet the 65% Kirkland or District area threshold of residing, working full time or attending schools within the Kirkland city limits or LWSD district limits.

POLICIES, RULES AND ORDINANCES

Field users are required to obey City of Kirkland Park use rules and regulations as outlined within this policy, within the Park Rules section of the Kirkland Municipal Code (KMC, Chapter 11.80), within Kirkland Facility Use policies and Lake Washington School District policies as well (for LWSD sites). City, State, County and Federal laws apply.

WHEN A FIELD USE/FACILITY USE PERMIT IS REQUIRED

A Field Use/Facility Use Permit is required if one or more of the following circumstances applies:

- a) When use of an athletic field is formal, by a league or organization, company or school, or is an organized social use (birthday parties, picnics, etc.), or is a community event or Special Event use
- b) When a specific reserved time is desired
- c) When services by the City are sought
- d) When a gathering is large enough – either in attendance or in size (a group of approximately 20 to 25 people most often triggers the need for a Permit and/or one person or more want to consume a field for a unique activity or purpose)
- e) When hired services, such as entertainment, catering, or live/band music, is an element of the use
- f) When the gathering includes any high risk activities
- g) When the gathering is for a business purpose, involves sales, advertising, or admissions
- h) When the use requires permission to exceed park hours, noise levels, etc.
- i) When a gathering is beyond the scope of normal/intended use of a field

These are examples only. Other elements may cause the need for a Field Use Permit. An individual is encouraged to inquire with the City of Kirkland Parks Department to ensure whether a gathering would require a permit for use (425.587.3342 or nosborn@kirklandwa.gov).

INTERLOCAL AGREEMENT BETWEEN LAKE WASHINGTON SCHOOL DISTRICT AND THE CITY OF KIRKLAND

The City of Kirkland and Lake Washington School District have an Interlocal Agreement pertaining to City facilities and District facilities within the city limits of Kirkland. The District and City have a mutual interest in supporting programs for the community in the area of athletics, recreation and education. Through this cooperative arrangement, City and District's athletic fields and facilities can be used to meet broader community needs for education, recreation and athletic activities than either party can provide separately. A copy of the Interlocal Agreement is available upon request.

Generally speaking, this agreement includes two athletic field related areas:

- Field Coordination and Facility Use
- Field Design, Construction, Improvements and Maintenance

FIELD COORDINATION AND FACILITY USE

As a result of the Kirkland/LWSD Interlocal Agreement, the City is able to offer for community use not only the City's fields, but the LWSD fields (within Kirkland) as well. The Interlocal Agreement provides the District with access to City fields and provides the City with an opportunity for access to District gymnasiums for City programs. A goal of the Interlocal Agreement, is for field use throughout Kirkland to be allocated efficiently, with the least possible expenditure of public funds, via one direct office coordinating all community use of District and City fields within Kirkland. District operations and programs do take priority at District sites, so community use hours and dates available are limited. One exception to the agreement is the high school stadiums. High school stadiums are coordinated by the District at each high school. School site details are provided within the Available Athletic Field Locations table below and within the City/School Interlocal agreement, which is available upon request.

FIELD DESIGN, CONSTRUCTION, IMPROVEMENTS AND MAINTENANCE

Through the Interlocal Agreement, the City and District also join forces on the development and maintenance of certain District facilities. Examples of past joint projects are Kirkland Middle School Fields 1 and 2, Lakeview Elementary, Mark Twain Elementary, Ben Franklin Elementary, etc. At schools where the City and District combine efforts in development and construction, the City often provides field maintenance. City maintenance is limited to the field area only, not to general landscaping. The District locations the City currently maintain are identified in the table below.

Opening dates and closing dates can vary due as the impacts of use of any certain type of activity/athletics are considered as are current field conditions and current weather trends.

HOW TO CHECK FIELD/SPECIFIC DATE AVAILABILITY

Field availability can be checked by either emailing or calling the Parks Coordinator at 425.587.3342 or at nosborn@kirklandwa.gov. For existing users, to enhance efficiency and to verify a team’s status within an organization/league, league communication is funneled through one primary contact per league. Coaches within existing leagues should contact their designated primary league contact to inquire about availability of additional field locations, dates, times, if so desired. The primary contact may seek availability, changes or additional time from the City on behalf of teams.

Availability is not guaranteed. An available date or field can be taken at any time by the first person to apply.

ALLOCATIONS & PRIORITIES OF USE

Fields are allocated based on seasonal priorities (i.e. baseball/softball in the spring and summer, soccer and football in the fall) and the following tier level of applicant/use consideration:

1. First Tier
 - City of Kirkland and LWSD programs and events
2. Second Tier
 - City-Sponsored/local youth recreation leagues
 - City-Sponsored adult leagues
 - Local youth select leagues
 - Local adult leagues
3. Third Tier
 - Youth recreation leagues from outside the local area
 - Select youth leagues from outside the local area
 - Adults from outside the local area
4. Fourth Tier
 - Independent, local uses (i.e. company uses, resident sponsored uses, neighborhood activities, picnics, social functions)
 - Independent, non-local uses (i.e. non-local company, non-local social functions)

City use and Lake Washington School District use take precedence for all park and school locations. Athletic user groups, clubs, and organizations residing within Kirkland for Kirkland fields, within the District for District fields (groups with 65% or greater local residents), follow in priority. If field space availability is limited enough that not all permissible types of programs and uses can be accommodated, users with past historical use may take precedence over new user groups.

Scheduled league games and tournaments shall have priority consideration for use of a facility over practice use. Application requirements are equivalent for practices, games and tournaments.

Requests which are for uses other than the designated primary uses of a field will be considered based upon field availability, safety and potential impacts. The City of Kirkland has the authority to approve or deny requests. Special Event Use, social use or informal use of a field may be considered. Special Event application process and the Facility Use application process and guidelines apply. Please visit the City of Kirkland website for Special Event guidelines (http://www.kirklandwa.gov/depart/parks/Permits_and_Reservations/SpecialEvents.htm) and Facility Use Guidelines (http://www.kirklandwa.gov/depart/parks/Permits_and_Reservations/Facility_Rentals.htm), for application forms and instructions. (Private, social use would use the Facility Use process, link just above.)

“Local” is defined as a group comprised of 65% or greater from within the City limits of Kirkland for users requesting use of a City field, or within the boundaries of LWSD, for users requesting use of a District field.

TITLE VI/NON-DISCRIMINATION

It is the City of Kirkland’s policy to ensure full compliance with Title VI of the Civil Rights Act of 1964 by prohibiting discrimination. No person shall be denied or subjected to discrimination in receipt of the benefit of any services or activities made possible or resulting from this policy on the grounds of sex, race, color, creed, national origin, age (except minimum applicant age) and retirement provisions, marital status, or the presence of any sensory, mental or physical handicap. For additional Title VI information, visit the City’s website: <http://www.kirklandwa.gov/Help/title6.htm>. Any person who believes his/her Title VI protection has been violated, may file a complaint with the City of Kirkland. For questions regarding Kirkland’s Title VI Program, or to file a complaint with the City of Kirkland, please contact the Title VI Coordinator at 425-587-3011 or TitleVICoordinator@kirklandwa.gov.

4. **HIGH RISK APPLICATION FEE** - The High Risk Application Fee is a "per organization/high risk applicant," annual fee and applies if the use is one which is deemed high risk. The High Risk Application Fee is non-refundable. Payment must be by cash, check or cashier's check, payable to the City of Kirkland. The High Risk Application fee amount (2015 amount: \$25) may change at any time and without notice. To check the current fee amount, refer to the [Park User Fees](#) schedule.
5. **GENDER EQUITY AND ZACKERY LYSTEDT LAW AGREEMENT** - In 2009, Washington State House Bill 1824, the Zackery Lysted Law (concussion law), and House of Representative Bill ESSB 5967 (the Gender Equity Bill) were passed. The City of Kirkland Parks Department has a vested interest in ensuring not only that City programs operate with these two laws in practice, but also that athletic organizations receiving field use permits from the City are operating with the same two laws in practice within their organization as well. A copy of House Bill 1824 and House of Representatives ESSB 5967, is available upon request. Annually, all formal users (leagues), must agree to meet the City's requirements of gender equity and concussion care. Each formal user is asked to confirm, via a signed agreement, to meet the City's requirements as outlined below. The Zackery Lysted Law and Gender Equity Act form will be provided for league signature and must be submitted annually during the application process.

Zackery Lysted Law, House Bill 1824

The Zackery Lysted Law requires all non-profit, **youth** programs that use publically owned playfields be in compliance with policies for the management of concussions and had injuries in youth sports. Each private, non-profit **youth** sports group requesting fields will need to comply and verify with the following requirements:

- All coaches, athletes and their parents/guardians must comply with mandated policies for the management of concussions and head injuries as prescribed by House Bill 1824, Section 2
- All coaches (paid or volunteer) are required to be educated in the nature and risk of concussion or head injury prior to the first practice/competition
- Athletes and their parents/guardians within organizations are required to annually be informed about the nature and risk of concussions and head injuries
- Leagues, parents/guardians are responsible to immediately remove any athlete showing signs or symptoms of concussions/brain injury and are not allowed to permit the athlete to return to play until written clearance has been received by the league from a license health care provider trained in the evaluation and management of concussion/brain injuries

Gender Equity Act, House of Representatives ESSB 5967

The Washington Constitution and statutory law prohibits discrimination based on sex. In 1972, Washington voters approved the Equal Rights Amendment to the Washington Constitution. The Equal Rights Amendment provides that “equality of rights and responsibilities under the law shall not be abridge on account of sex.”

Cities, towns, counties and districts are prohibited from discriminating against any person on the basis of sex in the operation, conduct, or administration of community athletics programs **for youth or adults**. District means a metropolitan park district, park and recreation service area, or park and recreation district. A third party, receiving a lease or permit for a community athletics program on a City of Kirkland site or Lake Washington School District site, also may not discriminate against any person on the basis of sex in the operation, conduct participation or administration of the program.

Leagues are required to confirm their private, non-profit group does not discriminate against any person (or group) on the basis of gender in the operation, conduct or administration of their program and is required to confirm the league is operated in a manner that promotes equal opportunities.

6. **RENTAL FEE** - For applicants who are seeking a single use, the rental fee is due at the time of application submittal. Leagues with on-going use will be invoiced by the City at the end of the applicant’s season. Please see the “Fees and Charges” section below for specific rental fee rates.

ALLOCATION PROCESS, PERMITS, LEAGUE ACCEPTANCE OF ALLOCATIONS

The Parks Coordinator will review and consider all applications, equitably allocate and assign game and practice dates and times per the tier level of application consideration, per the policies, requirements and guidelines outlined within. Allocations are based on leagues meeting all application requirements, the total number of requests received, field/location availability, roster review, and seasonal considerations/program priority as outlined/detailed above. A roundtable allocations meeting hosted by the City including all current applicants may be required if necessary to discuss a particular season’s requests.

A formal permit and schedule including locations, dates and times, will ultimately be provided to approved applicants. Whenever possible, the preliminary allocation process should be complete and distributed by approximately February 1st for the first season and July 1st for the second season.

The league is required to return unwanted allocated dates, times or locations, in writing, within a week from receipt of the original issuance. Assignments accepted will be charged to the league, used or not. No response to the allocation will be considered acceptance by the league. When possible, mid-season dates/times returned by leagues, will be offered to other leagues on a priority user basis. If dates can be reassigned, fees will be adjusted accordingly.

League representatives (coaches/managers) are required to have copies of approved permits in hand during use while on site at a field.

SUBLETTING/TRADING

Subletting and trading between leagues *is not allowed*. Unneeded time does need to be returned to the City for redistribution by the City. Subletting may result in immediate revocation of a league's use.

LEAGUE SCHEDULES

Teams or organization schedulers are required to submit a master league produced schedule of confirmed game times which is to include overall use details (i.e. base length needs, assigned teams, requests for altered game times, etc.) by a minimum of two weeks prior to season commencement or two weeks prior to the first date of a tournament. In-season changes may be considered if a request is received with sufficient notice. The league is responsible for keeping the City up to date on any in-season changes by ten business days prior to the game date for cancelled games or by two business days prior to the game date for smaller changes.

No shows are not an inefficient use of City staff and facilities. Leagues with multiple "no shows" in a season may be assessed an additional fee and may be sanctioned with potential consequences such as revocation of field time in the current season. The league may also fall into an unfavorable league status with the City.

FEES AND CHARGES

Fees may be assessed for use of any field to help partially offset administrative and operational costs. Standard field use fees are outlined below. Activities requiring additional field preparation may be assessed additional fees. Kirkland Parks reserves the right to increase usage fees when the department may incur additional cost. Fees are subject to change without notice. Services available at District sites is limited. Not all District sites have the same options for City services. Please inquire with the Parks Coordinator regarding District locations and what services are available. 2015 Field Use Fees are detailed on the following page. PAYMENTS AND LEAGUE INVOICING

For full season users, fees are invoiced at the end of each season. The invoice will detail the season's use, applicable fees and the date the payment is due. Final payment for field use is due within 30 days of billing. Payment not received within a timely fashion may affect a league's standing for the following year. Any credits/deposits held will be applied to the final invoice.

One-time/occasional users are required to pay in full at the time of application submittal.

CANCELLATION POLICY

For league games, a cancellation of a scheduled game after the original allocation process is complete can be made in writing, by email. The cancellation should be made within a timeframe that can allow the maximum possibility to redistribute the opening. A minimum of 10 business days is required. Slots that can be reassigned will not accrue charges. After the initial return of unneeded dates during the allocation process at the beginning of the season, for mid-season cancellation, game fees and administrative costs for returned/cancelled slots that can't be reassigned will remain with the original assigned league.

If a social use is cancelled, the event is subject to a minimum of a Cancellation Fee and the following:

- | | |
|-----------------------------|---|
| • High Risk Application Fee | Non-refundable |
| • 90+ days' notice | 100% of Field Use Fee paid will be refunded |
| • 30 to 89 days' notice | 50% of Field Use Fee paid will be refunded |
| • 0 to 29 days' notice | No refund |

Facility Use policies and fees may also apply. See the City of Kirkland Parks and Community Services Department Facility Rental Guide for information:

http://www.kirklandwa.gov/depart/parks/Permits_and_Reservations/Facility_Rentals.htm.

For one-time users seeking a change after a permit has been issued, an Administrative Fee could apply if changes are requested after issuance – i.e. a change in date, time, scope of the event, etc.

MAINTENANCE/GAME SERVICES, LIMITED PLAY AND FACILITY CARE

Maintenance at City fields is conducted by the City. Maintenance at District sites is conducted by the District, except at Emerson High School, Kirkland Middle School Fields 1 and 2, Ben Franklin Elementary Fields 1 and 2, Juanita Elementary rear field, Mark Twain Elementary Fields 1 and 2 and Rose Hill Elementary Field 2. The City, through the City/District Interlocal Agreement, does provide maintenance of these nine District fields. City fields used for league game use will be maintained by the City at game standard.

Baseball and softball games, on City fields, will be prepped for by City staff (game dimension needs and game schedules must be on file). Prepping services include dragging, lining and bases. Leagues are responsible for providing the Parks Coordinator game need details for the full season by a minimum of 10 business days prior to the start of the season (base length and pitching rubber needs). League volunteers are welcomed, with prior agreement, permission and instructions provided through the City.

Fields booked for practice sessions will not be lined. Bases may be provided for practices, if time permits.

City staff and District staff control use of facilities and reserve the right to limit the amount of play on a sport field during any given season. Field use may be limited to prevent excessive wear, to prevent potential damage, and out of consideration of maintenance resources. Potential wear impacts include:

- size and number of users
- type of use
- frequency of use
- weather conditions
- type of sports equipment to be used
- existing condition of the site
- safety

Leagues are required to rotate drills/warm-ups around a playing field to prevent deep wear from over use in any one area of a field.

Fields cannot be modified, improved, dug in to, repaired, wrongly used or modified in any way without prior written permission from the City or District. The cost for repairs to correct damage caused by a league (volunteer, parent, player, etc.) will be the responsibility of the league. Leagues are responsible for educating volunteers, umpires, coaches, parents and visitors about monitoring players and their actions while on a field, in a dugout, etc. For example, a little t-baller standing in one spot digging during an entire inning can cause havoc on a field, a visiting team warming up in the wrong area can cause damage, as can a volunteer who spreads chalk on the lawn, moves water off a field incorrectly, or puts gravel into a hole.

Garbage, restroom and concession stand topics are covered below.

GAME TIMES AND FIELD ACCESS

Specific game time options for each field will be determined by the City each season. Times available can vary from season to season. At a minimum, game times cannot be before 8am on any field and use must end by dusk on unlit fields and by 11pm on Lee Johnson Field (without exception, per City ordinance, lights shut off strictly at 11pm).

The time before, after and in-between games is not available (unless two back to back time periods are scheduled). Early arrival or overstay may impact other users or the crew to be able to properly prepare the field. Field use is permissible within the permitted time for each league only. City crew may ask a group to not enter early or to exit a field if necessary.

Teams are not allowed to warm up or conduct infield use while maintenance crew are prepping an infield. Light warm up activities may be allowed in the outfield if the use doesn't interfere with maintenance crew responsibilities or safety. A team can be removed from the field if safety issues arise or maintenance is interfered with.

Drop-in use is not allowed. Teams may not use ballfields unless prescheduled.

Coaches/Managers are required to carry a copy of the league's City of Kirkland issued field use permit while on-site. Use of fields is authorized for the date, time and field listed on the permit only.

FIELD CLOSURES & RAINOUTS

City of Kirkland staff will have final say on city field playability and safety during inclement weather conditions. District and City staff have final say on district field playability and safety during inclement weather conditions. Once a field is officially closed, it cannot be used until reopened by the City (or District). Closures may also result from poor playing conditions or a concern of potential damage which could cause hazardous safety concerns or could cause the need for excessive repairs. Damage that is caused by excessive or improper use or with disregard may result in a field being closed until repairs are complete and a league being assessed for the cost of repairs to bring the field back to a playable condition.

For rainouts, closed fields will be signed as closed on-site and/or leagues will be notified, *when time allows*, by phone or email by City staff or District staff, and/or, when time also allows, rainout information will be provided via the appropriate City or District rainout hotline. Once a field is prepped for a game, rainout decisions are often then left to the league or umpires to make on-site. It is only when the City rains out a field that charges will not incur.

The City provides a baseball/softball game Rainout Hotline for Lee Johnson Field, Crestwoods fields, Everest fields, Juanita Beach fields, and 132nd Square fields. Game rainout information only is provided, not practice rainout information. The City's Rainout Hotline phone number is 425.587.3345. Juanita High School's rainout number is 425.936.1678. Lake Washington High School's rainout information is provided at [www.twitter.com/LWBBaseballField](https://twitter.com/LWBBaseballField). Personal notification by email or by phone isn't always possible. It is ultimately the organization's responsibility to obtain field closure information from the hotline or by visiting the field in person. For City fields, if the hotline is not updated by

two hours prior to game start time, league representatives may call the crew at a number provided to the league representative for an update.

For fields potentially not inspected by City staff prior to use (i.e. practice sites, soccer sites), common sense applies - do not use a saturated field.

Games rained out by the City will not be billed to the league. Games rained out by the league or an umpire will be billed to the league. It is the responsibility of the organization to contact the Parks Coordinator within two (2) working days after a field closure to confirm a credit or to arrange for rescheduling.

RESTROOMS

Players, coaches, spectators, etc. must use appropriate restroom facilities. The outdoors may not be used. School restrooms/District building access is not included with school field assignments, nor are restrooms available at every City site. To request a port-o-potty at a particular site, requests by the league to place a league provided port-o-potty unit on-site may be submitted in writing. If use of a unit is approved, the league will be responsible for the coordination of the port-o-potty including maintenance, billing and any issues or problems that arise throughout the season.

GARBAGE

Garbage produced during athletic field use can be a huge problem. At District sites, maintenance is provided at a minimum. At all locations (City and District fields alike) leagues are asked to “pack it in, pack it out.” If garbage complaints are received, permission to use the site(s) may be immediately revoked and/or fees may be assessed. Leagues are asked to have teams walk the field, bleachers, dugouts, parking lot and park area for garbage and to pick up and remove all garbage, to place garbage completely within a can and/or to remove garbage entirely if the can is full. If a site is not left in a clean, damage free condition, maintenance fees can be assessed and/or field assignments can be revoked.

CONCESSION STAND CARE

For leagues with concessions, leagues and their concessionaires are responsible for cleanliness within the concession stand and within a minimum of 15’ surrounding the stand. Operators must dispose of packing materials, boxes, containers, etc. in a pre-approved dumpster on-site or they must remove all garbage. The City of Kirkland’s Public Works Department F.O.G. (Fats, Oils and Grease) Program regulations apply. Any damage or maintenance fees resulting from concession use will be the responsibility of the league.

STORAGE OF EQUIPMENT AND DELIVERIES

Loading, delivery, drop off and pick-up of equipment must occur within the league scheduled timeframe. City staff is not authorized to accept deliveries. Equipment may not be left on-site after use or overnight. Any equipment left beyond is subject to removal and fines. Equipment left 30 days or more will be destroyed and/or donated. Equipment that may be left behind, if it must be removed by the City, will be subject to a \$75 an hour per crew person labor charge for removal of the equipment plus all expenses associated with the cost for dumping.

CLAIMS OF INJURY AND/OR DAMAGE (INJURY TO OTHER PERSONS OR DAMAGE OF OTHER PROPERTY)

Claims that may result from damage to field neighbors, to facilities, to vehicles or persons, etc. caused by a league or a league’s guest (especially as a result of improper conduct or use of a site) is the responsibility of the permitted league. Leagues are required to provide any person who asks, their league name, their league contact email address and phone number, their league insurance company name, policy number and insurance company contact information. Coaches must have this information on hand when using a field and must readily provide it if asked. Leagues are responsible for handling league caused claims.

Leagues are responsible not only for their actions while on a field, but for visiting teams’ actions while on a field as well. The user permitted by the City is ultimately responsible for the supervision of all use while on-site.

ADMISSIONS/DONATIONS

Teams or organizations hosting events with the intent of charging admission or accepting donations at the field for an event must receive preauthorization from the Parks and Community Services Department. Additional requirements, permitting processes, and taxes may apply. The desire to charge an admission must be disclosed at the point of initial inquiry and at the time of application submittal.

BUSINESS ACTIVITY/USE AND SOLICITATIONS

Solicitations are not allowed within a park.

It is unlawful to conduct any type of business activity in any park without first entering into a concession contract, a Park Use Permit, or Special Event Permit. Business activity shall include, but not be limited to, sale of food, beverages or merchandise, providing classes or other forms of instruction for a fee or other valuable consideration, or use of a park facility for advertising any business, product or service.

Park Use Permit and Special Event information is available

http://www.kirklandwa.gov/depart/parks/Permits_and_Reservations/SpecialEvents.htm or by contacting Special Project Coordinator at seklayssi@kirklandwa.gov or at 425.587.3347.

Businesses/vendors seeking an opportunity to enter a possible contract to sell merchandise or services, may contact the Parks Coordinator at 425.587.3342.

EMERGENCY CANCELLATIONS BY THE CITY

The City, acting in good faith, may cancel use in circumstances where the facility or park becomes unsafe for the intended use. Such circumstances include but are not limited to: weather, natural disasters, environmental hazards, civil disturbances or other events affecting public health and safety. If a use is cancelled by the City, the customer will receive 100% refund of the Rental Fee or the customer may choose to move their event to an alternative available date.

CAPACITY

Capacity of sites is limited from park to park and will vary depending upon many factors, including available parking on-site, field/stand options, other events nearby, and the potential of neighborhood impacts. Requests may not be approved if the event does not meet a site limitations. Applicants are encouraged to select venues that are appropriate.

PARKING

Users are asked to encourage carpooling and to remind parents, coaches, players and volunteers to follow parking laws. With the hope of preventing potential negative parking impacts, the City of Kirkland reserves the right to request large groups/events to create and provide effective plans for parking, traffic and crowd control. If an event is one larger in size, a parking plan or carpool agreement may be required. Users are asked to schedule games, practices, etc. with sufficient time in-between groups leaving and arriving to allow parking areas to clear in-between uses.

AMPLIFICATION

Amplification is allowed. Out of respect for other park users and residential and business neighbors, field users are asked that the volume be kept at a low level and ask amplification/announcements be minimal. Amplification must end by 10:00 p.m.

DOGS AND OTHER ANIMALS

Animals are not allowed on any athletic field area. Dogs are permissible in bleachers and other park areas, however they must be on a leash at all times. District rules regarding animals at District sites pertain.

ALCOHOL AND TOBACCO/SMOKING

Alcoholic beverages, in possession opened or unopened, are not permitted on any City or District field. Having alcohol at an athletic field would be in violation of local and state laws and may result in a police citation. City of Kirkland parks and District facilities are also smoke and tobacco free.

IMPORTANT MISCELLANEOUS “DAY-Of” RULES, RESPONSIBILITIES AND REMINDERS OF APPROVED USERS

Leagues are responsible for abiding by the following “day-of” rules of use and for passing these rules on to all coaches, umpires, volunteers, parents, etc.:

- Use can't begin any early than 8am and must cease at dusk on unlit fields and use must end by City ordinance by 11pm on lighted fields. Organizations should make any necessary changes, amendments or alterations to their league rules and regulations concerning the duration of games knowing the possibility of games needing to end to accommodate dusk or to accommodate a maintenance window and back to back game schedules.
- Share space with *permitted* users when required and safe to do so. Formal field use is allowed by permit only.

After use, teams are required to walk the field, bleachers, dugouts, parking lot and park area for garbage, pick up and remove all garbage, and ensure all garbage is completely contained within a can and/or remove garbage entirely if necessary. If a site is not left in a clean, damage free condition, maintenance fees can be assessed and/or field assignments can be revoked.
- Use of peripheral items or equipment, such as scoreboard controls, P.A. systems, City equipment/tools is permitted by special request only. All special requests must be made in advance. Authorized and trained personnel only can conduct use or operation of any peripherals.

Leagues are required to provide any person who asks their league name, their league contact email and phone number and their insurance company name, policy, and contact information. Coaches must have this contact information on hand when using a field. Leagues are responsible for quickly responding to all claims and handling those deemed valid.
- Teams are not allowed to warm up or conduct infield use while maintenance crew are prepping the infield. Light warm up activities may be allowed in the outfield if the use doesn't interfere with maintenance crew responsibilities or safety. A team can be removed from the field if safety issues arise or maintenance is interfered with.
- Batting Practice is NOT allowed on outfield grass.
- Fences and backstops cannot be used for soft toss.
- Remind players, coaches, volunteers, etc. to please be especially watchful for children when driving in/around parks.
